

Bounce Back Promotions

RELIGIOUS SECTORS

The new advertising trend designed to:

- Raise funds - promote donations
- Welcome new congregation members
- Communicate scriptures with weekly messages
- Increase attendance
- Recognize donation appreciation
- Secure event access
- Collectables

Innovative - Worldwide patented lenticular wristbands is a unique way to promote your faces, logo, product and key message with real movie clips and 3d motion effects such as Zaps, Swirls, Morphs, Explosions and Zooms.

Versatile - Numerous applications to generate revenue, increase brand recognition and introduce new products/services and promotions.

Interactive - The iXtreme3d effects, coupled with imprinting of your corporate logo, key messages, product images and promotions, make the band interactive.

Measurable - Underside imprinting communicates promotions and drives band users to your website where they can fill out their personal information and redeem prizes.

- Promo code printed on back of band gives the ability to measure promotion success
- Builds a database of very targeted audiences
- Enables analysis, refinement of promotions, tracking of link and page hits for additional topics of interest

Movie Clip on a Wristband

Excellent for raising funds for your place of worship, increasing scripture awareness and attendance

Applications:

Ideal as a collectable for fund-raising opportunities or offer as give away to residual donors, as a thank you in recognition of past donation support.

Promote past religious events by placing 3d effects and actual 1.2 seconds of video images of the event onto a wristband.

Connect with your young congregation. iXtreme3d wristbands are a fun and interactive way to share the scripture with children.

Up to 20% of the population moves each year. Print your religious logo or name on the iXtreme3d lenticular lens and partner with your local welcome wagon organization to capture their attention.

Imprint locations and worship hours on the backside of the wristband.

Promote new religious books, CD's or scripture tutorials.

-4 color underside imprinting for logo, name, images, favorite scripture, products, website information and promotions.

-Serves as a great re-entry tool for events/functions to identify participant privileges.

-The single use snaps and lenticular technology make the iXtreme3d wristband anti counterfeit and tamper proof.

Why iXtreme 3d Wristbands:

- The worldwide patented lenticular wristband is the unique new advertising trend for your global campaigns.
- Very targeted audiences.
- Low cost per view.
- One medium that meets multiple promotional objectives.
- Cost effective to ship, store and distribute.
